STYLE GUIDE

Elevated Formal Streetwear

Where Elegance
Meets Hip-Hop
Culture

For Night with the Opera, we invite you to embrace a style that blends classic elegance with contemporary streetwear — a tribute to both hip-hop's cultural influence and the grandeur of opera.

Our theme celebrates music, legacy, and high fashion with a fresh, bold approach.

What to Wear

Think refined fashion with an edge. Luxurious fabrics, tailored fits, and statement accessories that pay homage to hip-hop culture while maintaining an upscale feel.

For Women

Chic Streetwear Glam

Structured blazers over sleek dresses, bold monochrome jumpsuits, or coordinated two-piece sets with modern silhouettes.

Statement Footwear

Elevate your look with designer sneakers, heeled boots, or sleek stilettos with metallic or artistic details.

Gold & Platinum Accents

Layered jewelry, bold earrings, or luxe accessories that nod to hip-hop's signature style.

Textures & Layers

Play with satin, leather, or structured denim to bring an element of streetwear edge.

For Men

Tailored Meets Street

Fitted blazers with relaxed trousers, upscale tracksuits, or layered streetwear-inspired pieces in refined fabrics.

Footwear Fusion

Designer sneakers, luxe loafers, or clean high-top shoes that bring a contemporary edge.

Minimalist or Bold

Whether sleek and understated or bold with colors and prints, the key is a polished, confident look.

Accessories Matter

Chains, watches, or a stylish cap can complete the look — refined, not overdone.

Color & Theme Inspiration

Gold, Platinum, Diamond

Inspired by record sales, our color theme sets the tone for an upscale palette. Metallics, deep jewel tones, and neutrals with pops of bold color are encouraged.

Music & Culture References

Incorporate subtle nods to iconic hip-hop or opera influences in patterns, textures, or accessories.

What to Avoid

Casual Attire

No hoodies, leggings, or overly distressed pieces. Keep the vibe sophisticated.

Overly Themed Looks

While we honor hip-hop culture, we're aiming for refinement over costume-like attire.
